

Front Range Back Country Horsemen

Involving youth and families

The Chapter invited families and kids to build a new trail section on the AG Ranch property near Bailey.

We camped on site.

Kids, Moms, Dads, Grandmothers
and Glenn (in the blue shirt) from
the Forest Service as a trainer.

Kim and her pack
horse helped.

Eager workers

Good trail

Back at camp,
the girls put in
some quality
horse time.
